

Welfare Reform: The Impact on Providers

Answering some key questions about welfare reform and the impact on your customers and your organisation

Workshop	-	11 April 2013 10.00 a.m. for a 10.15 a.m. start until 1.00 p.m. (with lunch to follow)
Venue	-	Scope, 6 Market Road, London N7 9PW
Audience	-	The Workshop is intended for operations, finance and supported living/housing managers with responsibility for their organisation's strategic approach

The upcoming reforms to welfare benefits will have a profound impact on many people with disabilities, autism, mental health issue and who are dealing with the effects of substance abuse. The reforms will also have an impact on your business and this workshop is designed to help you assess the impact and equip you to develop strategies to deal with it.

This workshop will be facilitated by Emma Duke and Emma Young of Anthony Collins Solicitors LLP who has a detailed knowledge of the proposed reforms with a strategic understanding of how this will affect your business.

The workshop will cover:

1. A summary of the key reforms, including the timescales for change.
2. A review of the impact for your customers.
3. A review of the impact for your business, both financial and strategic, for example will your approach to debt collection change?
4. Suggestions of how you may deal with the impacts, including reconsideration of policies and the services you may want to/need to provide to assist your customers.
5. A look into the future of funding for supported housing.

To book a place email Kate Newrick kate.newrick@housingandsupport.org.uk , this Workshop is free to VODG & H&SA Members and £50 for non-Members.
